Dear Carl,

Thank you for your continued support!

Since 2009, The Bigdawg and Paul Show has championed the cause of the Alzheimer's Association. From posting our logo on your webpage, to promoting our events in social media, we can always count on your show to get our message out to your audience throughout Central Florida.

I am particularly grateful to The Bigdawg and Paul Show for doing such a great job serving as MC so many times over the years. You can always be counted upon to create energy and execute flawlessly at Walk to End Alzheimer's and Walk Kick-Off events. Your performance at our Walks in Orlando, Gainesville and Melbourne creates fun memories that help us draw participants back year after year. In addition to Walk, the Chew 'N The Funny Bone night of stand-up comedy, featuring 7 comedians that you assembled, was a very entertaining fundraiser that helped us reach a different audience.

Carl, if we can ever provide a recommendation for The Bigdawg and Paul Show in your future endeavors, please let me know. It would be our pleasure to tell others of the truly great experience you provide as event hosts.

Sincerely,

Joan Giovanni
